

Montana's Peer Network Priorities 2012

Our mission is to provide recovery opportunities across Montana. We work to achieve this mission through the following:

- Wellness Recovery Action Planning WRAP opportunities including workshops, support groups, facilitator training and mentoring throughout Montana
- By organizing a strong equally represented peer network throughout Montana
- Actively supporting Peer Support Specialist Training and Certification in Montana
- Advocacy and education for improved mental health services in Montana including
 - Peer directed services
 - Suicide Prevention
 - Trauma Informed Care
 - High-fidelity Wraparound services for the children's system
 - Supported Housing
- Promotion of wellness and recovery through education, podcasts, newsletter, conference calls, education, training and support groups. In particular the promotion of 5 key recovery concepts – *hope, education, self- advocacy, peer support, personal responsibility*
- Promote the clear message “*Recovery is possible.*”

Sincerely,

MPN Board or Directors
