# YOUTH REENTRY – MONTANA

## Youth Services Division

### BUILDING CONTINUITY FOR COMMUNITY SAFETY

Cindy McKenzie, Acting Administrator  
Youth Services Division  
406-444-0851

Karen Duncan, Bureau Chief  
Youth Community Corrections  
406-444-4390

#### **COLLABORATION:**

United States Departments of:

- Justice
- Labor
- Education
- Health and Human Services
- Housing and Urban Development
- Commerce
- Veterans Affairs
- Social Security Administration

These Departments provided funds for the “Reentry Initiative”. Related agencies in Montana are involved at the local level.

The Youth Services Division of Montana obtained a three-year grant in 2003 to expand services to youth. After the grant period was completed in 2006 the Department of Corrections Youth Services Division obtained Montana State General Funds through the Montana State Legislature to continue providing the same level of services.

The Division developed **Juvenile Reentry Aftercare Coordinators**, “**Guide Homes**” (foster homes for hard to place youth), community **Mentors** and enhanced **Faith Based** and health related services.

**Services** are provided to youth returning to the community from a secure correctional facility placement.

Two **Juvenile Reentry Aftercare Coordinators** work with the facility staff, community staff and community reentry team members to assure the smoothest transition possible.

**Family Integration and Commitment Meetings:** Specified family members will visit the Correctional Facility to acquaint themselves with the treatment programs provided.

There is funding available to assist family members with these travel expenses.

**Reintegration Community Support Teams:** Local teams to work with Juvenile Parole Officers to support youth successfully returning to the community.

Contacts:

Dolly Ferris, Aftercare Coordinator  
Pine Hills Youth Correctional Facility  
4 N. Haynes Ave.  
Miles City, MT 59301  
406-233-2246

Currently Vacant, Aftercare Coordinator  
Riverside Youth Correctional Facility  
PO Box 88  
2 Riverside Rd  
Boulder, MT 59632  
406-225-4527

## Great Falls Youth Transition Center

The **Transition Center** provides housing for up to 17 youth on parole supervision. The program focuses on education, treatment, employment, community service and restitution, life skills, and appropriate recreation. Youth are assessed and staffed upon arrival, and a case plan is drawn up to address the needs of each youth. Case plans are reviewed at three month intervals. All youth are required to have a constructive day and participate in activities that fit within their individual schedules.

The Center focuses on youth who are having a difficult time adjusting in the community after being released from a secure facility. The Transition Centers provide separate housing for males and females. The program allows a graduated sanction option other than sending a youth back to a correctional facility. It is also used for youth who are leaving a secure facility when another appropriate placement is not available, or when the youth needs a short-term placement while awaiting another community.

The program uses a behavioral point system wherein youth earn privileges to participate in weekly community recreation outings. They also earn privileges to participate in more extensive incentive outings. Youth can learn to have fun in ways that do not hurt themselves or others and improve physical fitness. The outings also provide reinforcement for pro-social behavior.

Mentors and tutors enhance the program by improving youths' school performance and offering a positive adult influence outside the Department. They also offer group sessions using the cognitive approach. Menu development and food preparation skills are stressed in addition to other life skills training.

Great Falls Youth Transition Center  
Ken McGuire, Director  
Glen Caniparoli, Program Manager  
4212 Third Avenue South  
Great Falls, MT 59404

### Subcontractor:

Youth Dynamics Inc.

Contact: Teri Jackson, Clinical Director for Community Services  
406-245-6539

## Mentor Program

The **Mentor Program** is administered through a contract with Mountain Peaks, Inc. We anticipate up to 50 youth per year in this program.

### Services:

- Mentors,

- Daily guidance,
- Reminders,
- Community contacts,
- Transportation to medical or counseling appointments may be arranged,
- Victim/Offender Mediation

Mountain Peaks, Inc. Contacts:  
 Jeff Mangan, CEO 406-453-6784  
 120 23<sup>rd</sup> Ave NE  
 Great Falls, MT 59404

## **Faith Based Services**

**Faith Based Services** are being administered through a contract with an ordained minister and cooperation with a Parish Nurse.

The Parish Nurse is a “Registered Nurse” who has completed additional training to be a “Parish Nurse”.

### **Re-entry Services for youth:**

- Faith connections for youth expressing such a desire, to affiliate with a faith community
- Health related referrals,
- Medical expertise,
- Health Advocate

## **Roles of the Parish Nurse in General**

### **HEALTH COUNSELOR**

- Counsel’s people on health related issues.
- Listens and offers support
- Visits people at home, hospital or nursing home

### **EDUCATOR**

- Assists with life-style changes and health promotion incentives
- Leads health education classes
- Provides health screening
- Provides health education materials

### **ADVOCATE**

- Assists people in understanding medical conditions
- Empowers people to make good health care decisions
- Develops support groups

### **LEADER/FACILITATOR OF GROUPS AND VOLUNTEERS**

- Help youth understand and integrate spirituality into a healthy lifestyle
- Affirms volunteers

### **THEOLOGICAL REFLECTION**

- Integrates faith and health issues
- Therapeutic use of prayer and scripture
- Supports worship events for healing and health

### **HELPER/LIAISON TO THE COMMUNITY**

- Assists in obtaining needed health services
- Offers knowledge about community resources

Faith Based Services Coordinator:

Steve Rice, M.Div, CCC.  
52 Balsam Drive  
Miles City, MT 59301  
(406) 951-6463

## PLACEMENT

### **Youth Homes Programs**

Youth Homes is a non-profit organization, founded in 1971 as an alternative to institutionalization. Today Youth Homes provides an array of services to youth and families, in home and out of home, according to their needs. Services include shelter care in Missoula, Hamilton and Kalispell, therapeutic group care for adolescents, therapeutic family care as foster care or as support delivered in families' homes and a wilderness program.

Youth Homes and the Department of Corrections are contracted for Guide Home Services which are specialized foster care or in-home family support service for paroled youth.

Though referrals to our services most often come from Western Montana, we are willing to consider service for clients from other regions and communities within Montana as long as the service meets the needs.

Additional information or clarification is available on any Youth Homes' services. Please contact Sally Stansberry, 721-2704 x 225.

- **Corporate Office**

- Sally Stansberry, Director of Operations, 721-2704 x225
- Geoffrey Birnbaum, Executive Director: 721-2704 x223

### **ADOLESCENT CARE AND TREATMENT SERVICES:**

- **Susan Talbot Boys and Girls Home:**

A six-bed intensive treatment group home serving 12 to 17 year-old boys and girls with emotional disturbance and family-related issues.

- Shawn Gray, Program Director: 406-251-6836

- **Susan Talbot Home for Girls:**

A five-bed intensive treatment home serving 12 to 17 year-old girls with serious emotional disturbance.

- Shawn Gray, Program Director: 406-543-8597

- **Dennis Radtke Home for Boys:**

A six-bed intensive treatment home serving 12 to 17 year-old boys with serious emotional disturbance and conduct-related issues.

- Chuck Wayland, Program Director: 406-251-8498

- **Tom Roy Youth Guidance Home:**  
An eight-bed basic group home serving boys and girls, ages 16 to 19, needing structured living in a home setting while they prepare for and transition to adulthood.
  - Melissa Arno, Program Director: 406-728-8127

## **SHELTER CARE & SATELLITE SERVICES:**

- **Shirley M. Miller Attention Home:**  
An eight-bed shelter home offering crisis intervention, assessment, and respite services for 10 to 18 year-old boys and girls.
  - Craig Krueger, Program Director: 406-549-3836
- **Youth Homes of the Bitterroot, Bitterroot Youth Home:**  
An eight-bed dually licensed home to provide short-term crisis intervention and longer term placements for 10 to 18 year-old boys and girls.
  - Kay Crowe, Program Coordinator: 406-363-0619
- **Youth Homes of the Flathead, Flathead Youth Home:**  
An eight-bed dually licensed home to provide short-term crisis intervention and longer term placements for 10 to 18 year-old boys and girls
  - Lance Issak, Program Director: 406-755-4622, (406) 755-4623 fax

## **FAMILY CARE PROGRAM:**

- **The Dan Fox Family Care Program:**  
Operating in Missoula, Helena, Polson, and Kalispell, offers therapeutic foster care and adoption services as well as in-home family support services. Those served are 2-18 years of age.

Guide Home Service is provided by staff of the Dan Fox Family Care Program. A Guide Home is a family placement which provides care, supervision, guidance, and mentoring with the support of a case team assembled specific to the needs of each paroled youth.

The Family Guide Service is a form of family support service, delivered in-home to help paroled youth make a successful return to family and community.

- Faron McWilliams, Services Coordinator: 406-543-7792
- Erin Williams, Program Director: 406-721-2754

## **SPECIAL PROGRAMS:**

- **Missoula Learning Lab:**
  - Marilyn Seastone, Certified Teacher: 406-728-2400 ext 4777

- **InnerRoads Wilderness Program:**  
Quality, affordable wilderness therapy for at-risk teens and their families. The program gives youth the opportunity for growth, healing, and empowerment. To parents the program offers a chance for self-reflection , active support, and guidance.
  - Michael Hudson, Program Director: 406-721-0525

## Youth Dynamics

Youth Dynamics (YDI) is a private, non-profit agency providing mental and behavioral health services to Montana youth and families. YDI operates residential services in many Montana communities through our more than 90 treatment foster families located throughout the state and our nine group homes located in four Montana communities. Their Clinical Offices offer treatment in 17 locations across the state and services generally can be provided in any community within 60 miles of a YDI office.

Services include

- Therapeutic Foster Care,
- In-Home Family Support Services,
- Youth Case Management,
- Family Support Assistants (therapeutic mentoring),
- Individual/family Counseling,
- Therapeutic Respite Care,
- Guide Homes (for youth successfully leaving the Pine Hills facility)
- Intensive Level Therapeutic Youth Homes (8 youth group homes total),
- Group Home/Shelter Care Program (Bozeman)
- YDI uses the same cognitive-behavioral treatment philosophy (Social Learning Theory/Boys Town Model) in all services, providing a dependable framework for youth and the ability to move between YDI locations or services with consistent expectations, rules, and consequences.

Specialized services include

- Equine-Assisted Therapy, Recreation and Work Experiences (Lewis & Clark Therapeutic Youth Home in Helena, MT, serving youth ages 8-14)
- Substance Abuse education and prevention programs available at all YDI locations
- Intensive Outpatient Program for substance abuse treatment (offered in Billings, MT through the River's Edge Therapeutic Youth Home or to youth living locally in the community)
- Independent Living Skills coaching, mentoring and education for any youth 15+ (provided without charge as part of the treatment plan)
- Supported Independent Living Skills program, which assists a youth in transitioning to adulthood through supported activities, treatment, and coaching/mentoring from clinical professionals

- Their campus at AYA Boulder serves youth with a wide range of SED diagnoses and offers outdoor adventure activities, volunteerism, and a certified climbing tower. AYA Boulder also offers services specifically for youth who have highly sexualized behaviors, including reactive youth and those with a mild-moderate risk to offend.

Facebook: Youth Dynamics of Montana ([www.facebook.com/ydimt](http://www.facebook.com/ydimt)) for updates and information sharing with those who share our passion for healthier, happier Montana kids and families.

Website: [www.youthdynamics.org](http://www.youthdynamics.org)

Additional information about services and programs: [http://www.youthdynamics.org/programs/Forms for Parents, Guardians & Professionals:](http://www.youthdynamics.org/programs/Forms%20for%20Parents,%20Guardians%20&%20Professionals)

<http://www.youthdynamics.org/programs/forms.php>

For more information, please contact YDI through one of their therapeutic youth homes programs (Boulder, Billings, and Helena) , their shelter care program (Bozeman), or their seven clinical offices in Billings, Bozeman, Butte, Great Falls, Miles City, Wolf Point, or Kalispell. YDI offers additional local services to Dillon, Livingston, Helena, Havre, Shelby, Glendive, Colstrip, Sidney, Glasgow, and Malta. If you are not sure whom to contact, please call their toll-free number at 1-877-458-7022 and they will be happy to help you!

## **A.W.A.R.E., Inc.**

AWARE programs are designed to provide specialized strength-based services and supports for persons with challenging mental, emotional, and, in some instances, physical needs who would otherwise be served in a more restrictive setting—or perhaps not at all.

AWARE is a nonprofit organization providing a wide variety of services for families, children, and adults. Because AWARE adheres to a “wrap around” philosophy, services are strength-based, family focused, individualized, and comprehensive.

## **MT Youth Homes**

Montana Youth Homes (MYH) is a program of Rocky Mountain Development Council, Inc. Montana Youth Homes has two facilities, the Jan Shaw Youth Home for girls and the Margaret Stuart Youth Homes for boys. The homes serve clients ages 12-18 that are referred through Department of Family Services and Youth Court, youth that are runaways, homeless or those that have nowhere else to go. Residential services are provided to clients in need of emergency, short-term shelter or long-term group home placements. Montana Youth Homes also provides services through the Holdover Program and the Runaway and Homeless Youth Program, Youth on Track to Adulthood (Independent Living Training) and Supported Independent Living Services.

The MYH Holdover Program works in collaboration with local law enforcement officials to provide youth with a safe, secure place to be supervised as a diversion to incarceration. This program allows youth who have committed a status offense to stay at one of our homes for up to 8 hours while a suitable adult is found to take custody. (available for Lewis and Clark county only)

The Runaway and Homeless Youth Program allows our facility to be open to any youth in need of care who is a runaway, homeless or imminently homeless. Youth in this program can stay at MYH for up to three days while a youth case manager works with the client on finding or developing a support network, accessing necessary services and finding a safe place for the youth to live.

The Youth on Track to Adulthood Program (YOTA) consists of the MYH daily curriculum and a 12-week independent living training program for all youth. There are nightly mini courses and weekly groups that include field trips and professional speakers. This course is designed to teach the youth the skills they will need once they age out of the youth care system. The twelve topics taught are employment skills, personal record keeping, housing, goal setting, banking and investing, law and justice, nutrition and menu planning, effective communication, healthy recreation, car and home repairs, the importance of education and basic health and the body.

The Supported Independent Living Services (SILS) is possible through an agreement between Montana Youth Homes and the Department of Health and Human Services. The SILS program can provide DPHHS youth with aftercare case management and support past their 18th birthday while they live in the Helena community. Montana Youth Homes completes a variety of tasks with the youth to ensure the youth's safety while they live independently. Through the SILS

program youth can receive assistance finding safe, affordable housing, accessing resources to meet their physical; emotional; social; educational and employment needs and receive weekly contact and assistance from MYH staff and mentors.

### Services:

Psychiatric care for children and adolescents; medical genetics services

### Contacts:

- Karen Eliason, Admissions Coordinator – Child and Adolescent Psychiatric Services
- Ellen Livers, Administrative Director – Medical Genetics Department

Shodair Children's Hospital provides **acute and residential psychiatric treatment for children and adolescents**. The hospital currently has 20 beds for patients needing acute care. Residential treatment facilities include two adolescent units with a total of 44 beds, and a children's unit with 22 beds. The hospital employs five full-time board certified psychiatrists, a psychologist, licensed therapists, nursing staff, certified teachers, mental health technicians, and recreation, play, and music therapists in a fully integrated multi-disciplinary treatment model.

Genetic evaluation and counseling provides individuals and families with information about actual or potential inherited diseases and conditions—those that may already have been diagnosed, or those that patients may be predisposed to develop. The **Medical Genetics** Department offers a variety of services, including patient evaluations, cancer risk assessments, genetic counseling and education. Common reasons for evaluation or counseling can include a variety of conditions, including: birth defects, behavioral abnormalities, familial hearing loss or blindness, abnormal growth patterns, chromosomal abnormalities, congenital, or prenatal exposure to drugs, alcohol, or medications.

## Second Circle Lodge

## Acadia Montana

Acadia Montana is a 68-bed Psychiatric Residential Treatment Facility for young people ages 5-18, in need of assistance with co-occurring behavioral, emotional, and psychiatric disorders. Acadia Montana has individual Children's and Adolescent's Programs. Specialized programming includes a Native American Heritage Program, Chemical Dependency evaluation and treatment, anger management, and grief and loss groups.

Acadia Montana utilizes a “Primary Therapy” model. Each patient is assigned a Primary Therapist, Psychiatrist, Nurse, Teacher, Recreational Therapist, and Mental Health Technician. Having a “Primary” team means that each resident has a consistent and knowledgeable treatment team working for them and their family.

Acadia also provides Comprehensive School and Community Treatment through Altacare in over 95 schools across the State of Montana.

## SERVICES

### **Workforce Investment Act (WIA)**

Title I of the Workforce Investment Act of 1998, establishes a One-Stop Delivery System for workforce investment activities. The one-stop delivery system is a system where entities responsible for administering separate workforce investment, educational and other human resource programs and funding streams (referred to as one-stop partners) collaborate to create a seamless system of service delivery designed to enhance access to the programs services and improve long term employment outcomes for individuals receiving assistance.

WIA requires partnerships in the one-stop delivery system. Those partners include: Title 1B adult, youth, and dislocated worker programs; Job Corps; Native American programs; Migrant Seasonal Farm worker programs; Veterans' workforce programs; Wagner-Peyser Act programs; Adult Education and Literacy Activities; programs authorized under Title I parts A&B of the Rehabilitation Act; Welfare-to-Work programs; Senior Community Service Employment activities; Carl Perkins postsecondary vocational education programs; TAA and NAFTA assistance programs; HUD; UI; employment and training programs authorized under Community Service Block Grant programs; and veterans' employment and disabled veterans outreach programs.

There are many certified One-Stop Systems and Centers in Montana.

<http://www.swib.mt.gov/OneStops.asp>. This link will take you to a listing of all the One-Stop Systems and Centers in Montana.

#### **PURPOSE:**

Individuals seeking to manage their career need access to information and high quality services and Montana businesses need skilled workers. It is the purpose of WIA and the one-stop delivery system to help facilitate meeting both of those needs. This program is intended to empower individuals through better integration of services and meaningful labor market information (employment statistics) so that individuals can make informed choices about their careers.

#### **SERVICES:**

WIA Title 1 programs that are administered through the Montana Department of Labor consist of Adult, Youth, and Dislocated Worker programs. Check out the adult, youth, and dislocated worker websites for information specific to each program as well as the list of adult and youth service providers.

Adult: <http://wsd.dli.mt.gov/wia/wiaadult.asp>

Youth: <http://wsd.dli.mt.gov/wia/wiayouth.asp>

Dislocated Worker: <http://wsd.dli.mt.gov/wia/wiadislocatedworker.asp>

## **ADMINISTRATION:**

The Statewide Workforce Investment Board (SWIB) is a workforce board appointed by the Governor and is tasked with advising the Governor on the creation, implementation, and continuous improvement of a comprehensive statewide workforce development system, designed to train the maximum number of unemployed and underemployed Montanan's as possible. The Statewide Workforce Programs and Oversight Bureau (Bureau) provides statewide program oversight and also acts as the fiscal agent and administrative entity for the SWIB. Bureau functions include fiscal tracking, participant data tracking, reporting to the US Department of Labor, monitoring the SWIB and local service providers for compliance and quality issues, providing training and technical assistance to the system and policy interpretation and development.

## Full Circle Counseling Solutions

A licensed mental health center and placement agency committed to the preservation and restoration of natural families. Our approach is a strength-based family centered model designed to follow our families and their needs.

They provide a number of services that can work independently or collaboratively to build a system of support for the family in need. These services include; Family therapy in home or in an office setting, Community Based Psychiatric Rehabilitation and Support (CBPR&S), Case management, Comprehensive school and community treatment (CSCT[Missoula only]), Therapeutic Family Care (moderate), PRTF Waiver services, Early childhood services and short term foster placement. These services work together to provide community wraparound support.

They do not have a program. They collaborate with a family to decide what they want and are able to do. Any combination of services can occur to individualize the care necessary to maintain community and home placement. The hours they are able to provide are from 4 hours per week to 30 hours of direct service per week for a client (special circumstances allow us to do much more if needed, but it is a longer start up period). Usually, a team consisting of a clinician, coordinator, and at least one support specialist work together to provide direct care. Case management acts as an advocate and facilitator for the family to ensure that direct care needs are met as well as working with the family to assist in the process of building their own natural support system.

Referrals must have an SED diagnosis to be eligible for services. Services are covered by Medicaid. They also accept private insurance and have a sliding fee schedule.

- For referral information in the Missoula area please contact Ashley Marallo at (406)241-1919
- For referral information in the Bitterroot Valley please contact Ashley Cox at (406)529-6543 or Chris Berthoud at (406)381-5271

## **Montana Association of Counties**

Montana Association of Counties (**MACo**) enhances the public service mission of counties by promoting integrity and providing proactive leadership while acknowledging and respecting Montana's diversity.

This Web site can link you to information about a particular county. The information includes:

- County Seat
- County Commission
- Postal Address
- Email Addresses
- Telephone Numbers
- Commission days in office
- County Population
- County Size in square miles
- Related Web Sites

[www.maco.cog.mt.us](http://www.maco.cog.mt.us)

## **Montana Board of Crime Control**

The Board of Crime Control is the state's designated planning and program development agency for the criminal justice system. The Board is attached to the Department of Justice for administrative purposes only.

The Board provides funding to local, regional, and statewide projects with the central goal of making Montana a safer state.

The Crime Control Division administers federal anti-drug and anti-crime grants and provides funding for programs that assist victims of crime. It also collects and analyzes crime data from Montana law enforcement agencies and publishes the annual Crime in Montana report.

<http://www.mbcc.mt.gov/default.asp>

## **Ted Lechner Youth Services Center**

Yellowstone County's Ted Lechner Youth Services Center is a multi-service campus located in Billings. The Center provides specialized adolescent programs targeted at delinquent and at-risk youth. The Youth Services Center has a twenty-year history of providing services to youth in shelter care and secure detention as well as outpatient and community based services to the adolescent population.

### **Shelter Care**

The Acute Crisis Care (shelter care) facility provides placement for 15 youth aged 12 – 17. Males and females are accepted for placement. ACC provides a temporary placement for youth to stabilize, receive crisis intervention or treatment, and to transition to independent living. Typically, most youth reside in the shelter for less than 45 days, however, youth who are in treatment or transitioning to independent living may stay longer.

### **Youth and Family Stabilization Program**

This is a short-term, intensive intervention program for youth and families. The program uses a shelter care stay as an opportunity to intervene with the youth and family. Intensive and individualized programming focuses on rapidly preparing the youth and family to continue treatment on an outpatient basis. At least 90 days of aftercare follows the shelter care stay. The program has been successful at treating youth from across the state, using various long distance therapy options for after care.

### **Intensive Outpatient Chemical Dependency Program**

YSC Treatment Alternatives is an intensive chemical dependency program that specializes in treating adolescents who typically do not respond in traditional treatment models. Focusing on the role of addiction in everyday life, family dynamics, and criminal thinking, this group brings a pragmatic and reality based perspective to treatment. Youth may attend on an outpatient basis or reside in shelter care while in treatment.

### **Evaluation Programs and Treatment Services**

The Youth Services Center provides a range of evaluation services to youth residing in the Center and through outpatient services. Licensed and experienced professionals working and partnering with the center specialize in adolescents. A residential stay is required for those services that are marked with an (\*).

- Individual and family therapy
- Youth and Family Stabilization Program\*
- Mental Health Evaluation with recommendations
- 30-day Evaluation Program\*
- Intensive Outpatient Chemical Dependency Program
- Secure Sexual Offender Evaluation Program\*
